**Designation Of An Authorized Representative**

An Authorized Representative is a person you authorize to act on your behalf, in pursuing a claim or an appeal of a denied claim. This authorization may be either (1) granted for a particular event or date of service, after which time the authorization approval is revoked, or (2) granted for any present or future claim for health care benefits you may have. Designations of Authorized Representative status granted for a particular event or date of service are most appropriate when being granted to a health care provider or an attorney that may be representing you in connection with a claim. Designations of Authorized Representative status for any present or future claim for health care benefits are more appropriately made to family members or other trusted persons who you may wish to authorize to assist you in the future with health care claim matters.
